MEMORANDUM FOR: COMOR Photo Working Group
SUBJECT: Special Indo-China Targets

1. Attached is a list of targets for special U-2 coverage of areas of Indo-China as approved by the COMOR Photo Working Group on 23 December 1963. With the exception of a few targets in the interior of Cambodia and Laos, the targets fall along the following borders:

- a. South Vietnam/Cambodia
- b. South Vietnam/Laos
- c. North Vietnam/Laos.

2. The targets have been plotted on an overlay to Indo-China map (35647.1 Nov 61) at 1:2,000,000 scale and for the most part are shown as search areas with a radius of 15 miles (See attachment 2). As an administrative convenience, the targets have been assigned the prefix "J" so they may be tied to COMOR targets in Laos.

3. When detached, attachments 1 and 2 may be handled as SECRET.
